

Ready to Test? Publications to Help You Prep!

The DANB Review, 3rd edition

A valuable exam preparation tool for any of the national DANB exams, featuring sample exam questions, answers, rationales, and references, as well as all the information from DANB's **Task Analysis, 9th edition**.

DANB's Glossary of Dental Assisting Terms

A guide to applied practical and clinical dental terminology. This reference tool will help familiarize candidates with vocabulary they may encounter on the DANB examinations as well as in the office/clinical setting.

The DANB Review and DANB's Glossary are available for only \$55 when purchased together!

DANB's Task Analysis, 9th edition

A stand alone publication of the national task analysis used by the DANB Exam Committees to develop the national DANB Exams. The **Task Analysis** is published in the **DANB Review**; it is not necessary to purchase both publications.

DANB's Item Writing Guide

Written to help educators with expertise in the dental profession gain knowledge about item writing rules and techniques. Information on test construction committees and testing terminology is also provided.
