This pathway allows candidates to apply for a certificate who have graduated from a dental assisting program accredited by the Commission on Dental Accreditation (CODA).

Certification in Expanded Functions–General Dental Assisting (EFDA) is regulated by the Oregon Board of Dentistry (OBD). DANB, under contract with the OBD, administers the certification program, a service that includes providing information regarding exams and certifications, distributing application materials, and issuing certificates.

2. Enclose proof of completion of a CODA-accredited dental assisting program. (See Appendix A for program list.)
3. Enclose a copy of your Oregon Radiologic Proficiency Certificate.
4. Mail/fax the completed application and enclosed documents to DANB with the \$40 certificate fee. Note: When you provide a check as payment, you authorize DANB to either use information from your check to make a one-time electronic funds transfer from your account or to process the payment as a check transaction. When DANB uses information from your check to make an electronic funds transfer, funds may be withdrawn from your account as soon as the same day your payment is received, and you will not receive your check back from your financial institution. A \$25 service fee will be assessed on any check returned for nonpayment. Results/certificates will be held until all fees are received. A candidate cannot schedule any other DANB exams or purchase any DANB materials until all fees are paid.
