2. I hereby release DANB, its directors, officers, examiners and agents from any and all liability arising out of or in connection with any action or omission by any of them in connection with this application, the certification process, any exam given by DANB, any scoring relating thereto, the failure to issue me a certificate, or any demand for forfeiture or return of such certificate, and I agree to indemnify DANB and said persons and hold them harmless from any lawsuit, complaint, claim, loss, damage, cost or expense, including attorneys' fees, arising out of or in connection with said certification activities. I UNDERSTAND THAT THE DECISION AS TO WHETHER I QUALIFY FOR A NATIONAL CERTIFICATION OR CERTIFICATE OF KNOWLEDGE-BASED COMPETENCE RESTS SOLELY AND EXCLUSIVELY WITH DANB AND THAT THE DECISION OF DANB IS FINAL. Such legal action may result in monetary damages and/or disciplinary action including rescinding exam results and denying or revoking certification.
8. I understand that for each application submitted, DANB will process the appropriate payment. If I fail to show up for an exam for which I have applied, and there is no documented DANB-accepted emergency, and I failed to comply with DANB cancellation policies, I am still obligated to pay the full exam fee. I further understand that taking the exam and then revoking payment constitutes the wrongful use of DANB products and services and I may be subjected to legal action. I am obligated to pay for the exam whether I pass or fail. I agree not to dispute the exam fee. Exam results will be rescinded if the exam fee is not paid in full.

# Background Information Policy and Questions

## Background Information Policy

DANB national exam applications, certification renewal forms, certification reinstatement forms, and emeritus applications contain three background information questions (BIQs) that exam candidates and certificants (“DANB Individuals”) are required to answer. Failure to answer the questions will result in the application being returned as incomplete. DANB Individuals must submit documentation, with his/her completed application, related to each affirmative response. DANB will review the documentation related to each affirmative response and make a case-by-case determination, in consultation with legal counsel, as to the candidate’s eligibility to test, to earn certification or recertify. Dependent on specific disclosures made, DANB reserves the right to bring individuals for review under *DANB’s Disciplinary Policy & Procedures*.

Note: Any person being held on criminal charges or serving a sentence of confinement (e.g., prison, jail, home detention, or any equivalent mode of confinement) for any offense, must be fully released from confinement before applying for and/or taking a DANB exam or before renewing or reinstating DANB certification.

## Background Information Questions

### BIQ 1 Is your answer “yes” to either of the following?

- In the last five years, have you been convicted of, or pled guilty or no contest to, a felony or any crime punishable by confinement in a state or federal prison for any length of time?
- Are you currently serving a sentence of confinement, home detention, parole, probation, or other court-ordered supervision, or are you subject to a reporting requirement (e.g., sex offender or violent offender registry) in connection with **any** felony conviction received in your lifetime?

*It is not necessary to report misdemeanor convictions.*

*If you are uncertain whether a conviction was for a felony or a misdemeanor, you must mark “yes.”*

### BIQ 2 Have you ever been the subject of any of the following?

- Suspension, revocation, or voluntary surrender of your dental assisting license, registration, or other state-recognized dental assisting credential?
- Suspension, revocation, or voluntary surrender of a license, registration, or other state-recognized credential in any profession?
- Loss of authorization to practice dental assisting or any profession as an employee of the federal government?
- Loss of authorization to practice dental assisting or any profession in a jurisdiction that does not require registration, licensure, or other recognized employment credential?
- Disciplinary action by a professional regulatory board, certifying or examination agency, or other professional body?
- Investigation by or dismissal from an educational institution for cheating or any other ethical violation?

### BIQ 3 Have you ever been declared mentally incompetent by a court of law?

## Documentation Required If a Candidate Answers “Yes”

Documentation must be submitted with the completed exam application.

### Step 1 — Personal Statement

The candidate **must** attach a signed and dated personal statement describing the circumstances surrounding each occurrence, the offense or reason for the conviction or disciplinary action, the date of the adverse action, the penalties imposed, and the dates when penalties for each occurrence were or will be completed.

### Step 2 — Supporting Documentation

The candidate must also provide **official** documentation related to each occurrence, **including but not limited to**:

- BIQ 1** For felony convictions, judgment of conviction, sentencing order and termination of probation order, if applicable, and any other documentation deemed necessary by DANB.
- BIQ 2** For regulatory, credentialing or educational disciplinary action, an official statement from the disciplining agency or educational institution describing the offense and penalties imposed (e.g., consent order, decision) and, if applicable, providing evidence of completion or expiration of all penalties, including reinstatement of license or credential.
- BIQ 3** For a court declaration of mental incompetence, official copies of all relevant court orders and related documents.

# About DANB Exams

## About DANB Exams

DANB uses computer adaptive testing (CAT). CAT starts each candidate with an item at or around the exam pass point. When the candidate answers an item correctly, the next item will be slightly harder. If the answer is incorrect, the next item will be slightly easier. Each candidate is presented with the same percentage of items from each domain on the exam outline. The candidate's score is based on the difficulty of the items answered, not a specific number or percentage of items, and the average candidate, regardless of passing or failing the exam, will get a little over 50 percent of the items correct and a little under 50 percent of the items incorrect. This method of testing more accurately pinpoints a candidate's ability level. All exam items are pretested to ensure the items are performing properly and are correctly calibrated before becoming a scored item.

## How to Prepare to Take an Exam

### Step 1: Review the exam outline

Download the outline from [www.danb.org](http://www.danb.org). The outlines identify every topic found on a particular exam. Review each topic and identify the areas in which you need further study.

### Step 2: Choose your study materials

Obtain study materials. Options include:

- Suggested reference list (see p. 11)
- Textbooks and other reference materials
- The DALE Foundation's review courses and study aids (the DALE Foundation is the only official DANB affiliate)

### Step 3: Make a study plan

Reading and re-reading is usually not enough.

- Review previously studied topics every few days
- Assist in understanding by tying what you learn to real-life experiences
- Understand the rationale for correct performance and not just how to perform a procedure
- Make a practice test and use flashcards
