# Background Information Policy and Questions

## Background Information Policy

DANB emeritus applications contain three background information questions (BIQs) that certificants are required to answer. Failure to answer the questions will result in the application being returned as incomplete. Applicants must submit documentation, with their completed exam application, related to each affirmative response. DANB will review the documentation related to each affirmative response and make a case-by-case determination, in consultation with legal counsel, as to the candidate's eligibility to test, to earn certification or recertify. Dependent on specific disclosures made, DANB reserves the right to bring individuals for review under *DANB's Disciplinary Policy & Procedures*. Note: Any person being held on criminal charges or serving a sentence of confinement (e.g., prison, jail, home detention, or any equivalent form of confinement) for any offense, must be fully released from confinement before applying for and/or taking a DANB exam or before renewing or reinstating DANB certification.
