

Measuring Dental Assisting Excellence®

# Earn CDE Credits

## At-home exam program. At your own pace.

You can earn 12 Continuing Dental Education (CDE) credits conveniently and affordably at home through the DANB® Professional Development Exam Program (PDEP).

After you purchase the PDEP materials, a packet is mailed to you containing five articles from dental journals. Complete the exam, fill out the answer sheet and mail the completed answer sheet back to DANB before the deadline. Certificants have six months to complete the exam.

Select from the following topics:

- Anxiety and Special Needs in Pediatric Dentistry
- Pediatric Dentistry
- Sedation in Pediatric Dentistry
- Preventive and Restorative Guidelines in Pediatric Dentistry
- Caries Management for Pediatric Dentistry

**Reminder:** CDE credits must be earned prior to renewing your DANB certification. It may take up to six weeks to receive your PDEP exam results.

DANB and DANB's affiliate, the DALE Foundation, offer several different *optional* CDE products. To learn about ways to earn CDE through interactive, e-learning courses, visit DANB's official affiliate, the DALE Foundation, at [www.dalefoundation.org](http://www.dalefoundation.org).
